Important: shipping costs are not included. The customer sends the ECU(s) at their own expense to BimmerStore. Return shipment will only be sent after payment of return shipping costs.

Comments / Additional information

Important disclaimers

BimmerStore only performs data transfer from one ECU to another.

If the original problem is not within the ECU itself, BimmerStore cannot be held liable if the issue persists after cloning.

BimmerStore is not responsible for incorrect diagnostics or assumptions made by third parties.
